WHO WE ARE

Market Pulse LLC is a Bishkek-based company focused on identifying, developing and supporting investment opportunities in the Kyrgyz Republic and Central Asia. The company acts as a local coordination platform between project owners, businesses, public-sector stakeholders and international investors.

Our objective is to make cross-border investment dialogue more efficient by combining local access, project sourcing, stakeholder coordination and structured investor communication.

WHAT WE DO

- Project sourcing and initial screening of investment opportunities.
- Coordination with project owners, local counterparties and relevant stakeholders.
- Preparation and structuring of information for international investors and financing partners.
- Investor outreach, introductory communications and meeting coordination.
- Support during negotiations and preparation of preliminary transaction terms for company approval.
- Document collection and coordination of legal, financial, technical, tax and commercial due diligence.
- Coordination with external advisers, consultants, banks, financial institutions and international organisations.

INVESTMENT FOCUS

ENERGY	INFRASTRUCTURE	INVESTMENT PROJECTS
Renewable energy, hydropower and related generation or infrastructure opportunities.	Selected infrastructure and strategic development projects requiring international capital or technical partners.	Project finance, equity participation, strategic joint ventures and other structures subject to project-specific review.

HOW WE WORK WITH INVESTORS

Market Pulse provides a practical local interface for international investors reviewing opportunities in the Kyrgyz Republic. Initial materials are shared on a controlled basis, with more detailed project information provided after preliminary interest and, where appropriate, confidentiality or non-circumvention arrangements.

Market Pulse coordinates access to project information and due-diligence workflows; final investment, financing and binding transaction decisions remain subject to the relevant project owners, counterparties and separate corporate approvals.

VALUE TO INTERNATIONAL PARTNERS

- Local project origination and access to project owners.
- A single coordination point for communications and information exchange.
- Support in navigating local stakeholders and documentation flows.
- Structured preparation for investor review and due diligence.
- Cross-border communication from Switzerland and the Kyrgyz Republic.

INTERNATIONAL REPRESENTATION

Viktoria Dettwiler is the Authorized Representative of Market Pulse LLC for International Cooperation and Investments. Under the company power of attorney, she is authorised to represent Market Pulse abroad in business, commercial, investment and international economic matters, including investor outreach, negotiations, presentations, correspondence and due-diligence coordination.
